

Silverline House — 25-Storey Residential HRB

MOR Plan

Document Reference: 1.3

Revision: Rev A

Date: March 2026

Project Reference: SLH-2026

1 Introduction

1 Purpose

This Mandatory Occurrence Reporting (MOR) Plan sets out the procedures for identifying, recording, and reporting mandatory occurrences during the design and construction of Silverline House, in accordance with the Higher- Risk Buildings (Management of Safety Risks etc) (England) Regulations 2023.

2 Reporting Procedures

Mandatory occurrences will be reported to the Building Safety Regulator within 10 days of the occurrence being identified, using the BSR online portal. The Principal Designer is responsible for collating reports from all members of the design team.
